

LET'S MAKE A DEAL!

In order to reduce the number of units owned by owners, your Board of Directors has once again authorized a deal too good to pass up. If you have had your eye on a specific week and unit number on the units for sale sheet, that is not a seagull unit, now is your time to call in with your best offer.

This "Let's Make a Deal Sale" is being offered to Seagull owners and friends alike. Now is the perfect opportunity to share your "home away from home" with friends and family.

If you are interested in making an offer on any of the units being offered through this sale, please call Annette at 321-795-8488 or you can send an email to documents@seagullbeachclub.com

Now is the time to make a deal! All reasonable offers will be considered.
